

Worship Service FYI

“The Church Council in an effort to bring the two worship service groups together as we move towards the call of a new pastor have decided to combine the worship services effective 3 June. On that date we will begin to join together to worship in one service at 9:30 am. We encourage you to attend, join in fellowship and re-connect with the members normally attending the other service. This is not a permanent decision, but will be in effect until we call a new pastor. If you have any questions, please contact any member of the Church Council.

In Christ
Rick Comley”
