

“We still have 2 gift tags remaining on the Christmas in July giving tree in the Narthex.

Please prayerfully consider whether you can assist by taking one or more of these tags and purchasing the requested gift(s). If it would be easier to substitute gift cards from a local store rather than shopping for the exact items listed, feel free to do so.

Note that all gifts need to be wrapped, tag attached and put under the giving tree next Sunday morning, August 5<sup>th</sup> to be delivered the next day to Family Promise Center.

Thank you for your support of this vital program.

Susan Morris
